Competition Events & Grading

Reminder: New CBTF Competitive Levels

Effective January 1, 2019 the CBTF Competitive Program will consist of 5 levels – C, BN, BI, BA and A.

The advancement scores (Net Score, after all penalty deductions) for each level are:

- Level C to BN: 2.50
- Level BN to BI: 3.50
- Level BI to BA: 5.00
- Level BA to A: 7.00

Athletes and coaches are reminded that they will enter in these new levels, based on their highest score received to date, for each event.

CBTF Grading System (Latest Revision: January 2019)

The CBTF Progression Model provides “graded assessment only for ages 4-11” therefore a Grading System shall be used for Level C and BN athletes in the PRIMARY and JUVENILE age divisions.

To follow the CBTF Long Term Athlete Development model, the evaluation method used for Level C Primary and Juvenile age groups will change from scoring to rating system. Events affected are Solo, 2 Baton, 3 Baton, Medley, Solo Dance Twirl and Duet. The methodology used by the judge will remain the same. The score determined by the judge will transition in tabulation to a rating of Bronze, Silver, Gold and Diamond. See chart below to reference the score/rating guide. Although also a grading system, the Level C and BN medals awarded in these events are different than the Pre-Events. Like Pre-Events, there may be multiple athletes in each rating level.

****There is no drop penalty for individual or graded events.****

The judges scores are translated into ratings and all athletes in the division shall be presented with a medal in the color relating to the rating (ie. Score) they receive as follows:

Level C			Level BN	
Bronze	0.00-1.59		Bronze	0.00-2.84
Silver	1.60-2.19		Silver	2.85-3.19
Gold	2.2-2.49		Gold	3.20-3.49
Diamond	2.50 or higher		Diamond	3.50 or higher

Compulsories – will not be held at this competition

Membership:

All athletes must hold a type “A” CBTF Membership or Type “B” CBTF Membership for the Pre-Events in his/her provincial organization to compete in the competition.
